Media Coverage Policy

MEDIA: ilani requires those seeking review tickets for concerts and special events to submit a request via email to marketingpromotions@ilaniresort.com. Please submit requests two weeks in advance of the event date.

PHOTOGRAPHERS: Photography requests for ilani events are not accepted from photographers directly and are not accepted from any photographers who are not employees or under contract with nationally or regionally recognized media.

To confirm a photographer's affiliation, the media outlet's photo editor should email the ilani Marketing Department at marketingpromotions@ilaniresort.com. Freelance photography requests will not be considered without an editor's approval, as described below, confirming the contract with the photographer. ilani reserves the right to question all affiliations and reject any photographer for any reason or no reason at ilani's sole discretion.

The following media outlets qualify as regionally and nationally recognized media:

- Digital and print media outlets
- Arbitron-ranked radio stations
- Network-affiliated television stations

This policy also applies to artist/band management unless other provisions are made between artist/band management and ilani.
